There are times when

**50** is a very nice number.

This is one of those times.

Cambridge Healthcare Properties is pleased to announce that for the sixth year in a row, physician-tenants in our health-system affiliated buildings have recognized our service as being “best in class” in satisfaction surveys conducted by CEL & Associates, the leading independent surveyor of commercial office properties and the official surveyor of the Building Owners & Managers Association International (BOMA).

This year, eleven of our buildings were honored with “A List” awards, bringing our total number of awards issued by BOMA and CEL to 50 in the six years we have participated.

We join our outstanding property teams in thanking our physician-tenants for the honor of serving them and their patients.
